Video Discussion

1. What behaviors in the clip were respectful?
2. What behaviors were disrespectful?
3. What could the little birds have done to be more respectful?
4. What could the big bird have done to be more respectful?

Group Time

One person in each group will be the recorder.

Each group needs to:

1. Generate a definition of respect.
2. List examples of how we show respect to each other, teachers, parents, property, etc.

Share-Out

One person in each group will share their group's definition of respect and examples.
